Talk Topics:

Parenting for Purity - Parent Talk
How is a parent to compete with MTV, sexting, Abercrombie and Fitch, Internet porn, and all the other influences that allure young people away from a pure life? In this seminar Jason offers communication techniques, resources, statistics, and a wealth of information to assist parents in their task as the primary sex educators of their children.

Love or Lust? - Parents and Teens
In this seminar meant for those in 7th grade and older, Jason reveals the compelling vision of God’s plan for human sexuality and presents an uplifting case to practicing the virtue of chastity by addressing the issues that teens struggle with most, such as sexual pressure, pornography, modesty, and starting over. Jason offers encouragement for teens to maintain their purity or begin again if they’ve made mistakes in the past.
