Parent Document Uploads

How do I upload a document?

1. Go to: https://hoban-oh.finalforms.com

2. Log in, and go to your **My Students** page.

3. Click 📂 (Folder) in your student's row.

4. Use the popup box to upload a document.

Uploading documents in FinalForms is a great way to submit physicals to your school. Your school Administration will be able to view the document uploaded to your student and log the appropriate physical dates.
