FROM THE ADVANCEMENT OFFICE

Les Radwany "Bulldog" Scholarship

The Hoban family mourns the loss of Leslie S. Radwany, Jr. '60. Radwany lived out Hoban's Holy Cross core values in his personal and professional life, especially the values of excellence, integrity, hope and family. He and his wife Linda had two sons and also welcomed 63 foster children into their home, eventually adopting two daughters. Many other young people considered him their surrogate parent because of his welcoming nature, wise advice and loving guidance. Hoban will honor his memory and legacy through the establishment of the Les "Bulldog" Radwany Scholarship, a permanently restricted endowment of

the Hoban Trust Fund. An anonymous alumnus has donated \$63,000 (\$1,000 in honor of each foster child Radwany and his wife cared for) while challenging the Hoban community to match his generosity to raise an additional \$63,000 to fund this new scholarship. The scholarship will be awarded to any Hoban student who experienced the foster care system or is adopted, regardless of race, gender or age, and who exemplifies Radwany's ideals and principles while embracing the values and mission of Hoban. The scholarship recognizes financial need as well as involvement in the Hoban experience through volunteerism, cocurricular activities, athletics and more. For complete details and to donate, visit **The Les "Bulldog" Radwany Scholarship page**.
