

APPLICATION FOR ARCHAEOLOGICAL STUDIES

To be recommended for Archaeological Studies the following application must be completed and **turned in to Mr. Anderson by FRIDAY, JANUARY 29th, 2021**. The application must include your 1st semester US History class and letter grade and all necessary signatures below. Failure to complete any of these items will result in your application not being considered for recommendation. To ensure maximum participation and focused field work, this course is capped at 25 seniors and is only offered in the fall semester.

Course Description (From the Parent - Student Handbook)

Archaeology *The focus of Archeology is the importance of archeological work in uncovering the past as well as to engage the class in current archeological digs through field work and research. The class will study archeology of the Ancient World (Greece, Rome, North Africa and China) and then examine both pre-European and post-European archeological work in the United States. Students conduct interviews and hold in-depth conversations with leading archeologists in Ohio and across the country to learn about current dig sites as well as current technology used in conducting archeological research today. After preparing an in-depth field analysis report, the class will spend a month excavating the Sumner Farm archaeological field site on the Hoban campus. Prerequisite: Application. One Semester (Grade 12) Credit: ½ Unit Course No: 050802*

- **First** you will need to access the web site for the Archaeology class, the web link is here:
<http://bit.ly/HobanArchaeology>
- **Second** you will need to select one of the seven pages to review and analyze. Each of the seven Archaeological Field Excavation Teams have published their work from this year's dig at the Sumner Farm site here on the Hoban campus.
- You will need to **complete the note sheet on the back of this form** based upon the research team's page you have selected. This note sheet must be completed and turned in by the end of the day on **FRIDAY, JANUARY 29th, 2021, to Mr. Anderson in room 135.**
- You must also **obtain all of the required information and signature below.**

First Semester US History course taken: _____

First Semester US History course letter grade: _____

PRINTED Student name _____ Date _____

Parent's signature _____ Date _____

Based on the information on the research Team's page, address the following points:

Research Team #: _____

Research Team Members: _____

Briefly describe the background story (field research) of the Sumner Farm and the Sumner Family.

What is a Provenience Sheet? What types of information do Archaeologists place on this form?

Describe the artifact cleaning process and tools used in the Archaeological field process.

What types of artifacts did the Research Team excavate and catalog? Provide the Smithsonian numbers for the artifacts published on-line. Provide information for eight (8) artifacts listed.
